

Introducing DynamicsPact

WHO ARE DYNAMICSPACT

The largest Microsoft Dynamics D365 FO Delivery Team

DynamicsPact is a network of leading Microsoft Dynamics AX/D365 partners from around the world that work together to deliver global Dynamics AX/365 projects to the highest of standards

The largest Microsoft Dynamics D365 FO Delivery Team

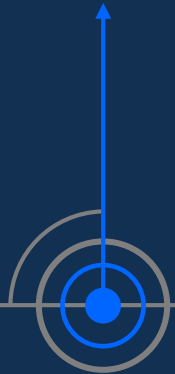

- To establish a network of the very best Dynamics 365 FO specialists around the World.
- For members to assist each other winning, implementing and supporting international Dynamics AX/365 projects.
- To grow from the collective strength and knowledge.
- To deliver international Dynamics 365 FO solutions better than any other vendor.

THE CONCEPT

OUR HISTORY

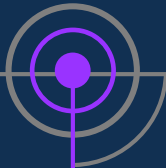

FORMATION

Formed in 2004 at the Supply Chain Summit in Amsterdam. 8 Microsoft Partners become the 'founding fathers' of AXpact.
