Sales

- Seer 365 / Gyde 365
  - [GYDE365 for Microsoft Dynamics 365 Partners - Seer 365](#)
- SIS have "trained" Tender Response AI
  - Learns from data repository, tenders & submissions as well
  - Requires diligent checking but saves a vast amount of time
  - Produces very good responses on standard questions
    - (we do a lot of work on University Public Sector Tenders)
- Members?

Delivery

- SIS are developing AI configuration tools (for our verticals)
- Gyde includes templates
- Most members have some workflows around their task/process management (ADO/JIRA/Whatever)

- Members?

Testing

- Experiences with RSAT

- Experiences with Test Suites

- Experience with third parties

Process Optimis(z)ation Tools

- Experiences with these?

That's all Folks!
